Dear Parents

Welcome to this week's newsletter.

It is hard to believe how quickly this half term has gone. The children have worked really hard and they have made us all proud.

Firstly, last week we had a very successful maths week where the children undertook a wide range of activities which they all enjoyed. I would like to thank Mrs Baalla for organizing this. As you have been informed, the Maths Puzzle Day was cancelled and has now been rescheduled for the 13th November.

Secondly, over the past two weeks, the children have been having sessions of bread making, provided by Chartwells. They have been learning about the ingredients and benefits of eating freshly baked bread.

Year 6 have had a very successful trip at the the Gordon Brown environmental centre. I would personally like to thank all the staff who accompanied the children. You would agree, that without the staff giving up their time, these trips would not go ahead.

Finally, we now have a new and updated school website and we would love to hear from you what you think of it. The address for accessing the website is [www.clitherow.brent.sch.uk](http://www.clitherow.brent.sch.uk) There will be a questionnaire after the half term about how effective and helpful the new website is. We are always looking for ways of improving our school and your views are extremely important to us.

Wishing you all a lovely half term break and we look forward to seeing you all on Monday 2nd November.

God bless.
