Dear Ewa

Ofsted Inspection

I am writing to congratulate you, your staff and your governors on the outcome of the recent Ofsted inspection. It is clear from the inspection letter that the school has continued to improve since the last inspection and is securely good, and has highly effective safeguarding procedures in place.

I was pleased that the inspectors recognised the strengths of your leadership, your senior team and of the governing body. The letter confirms your commitment for continuous improvement and that you have fully addressed the areas for improvement identified in the last inspection.

Brent Council is very grateful to you and your colleagues for this relentless pursuit of high standards in one of the borough's more disadvantaged areas. At St Margaret Clitherow you have fostered the culture necessary for your pupils to thrive and improve their life chances.

Thank you for your commitment and hard work.

I wish you and your colleagues a merry Christmas and a happy new year.

Yours sincerely

Cate Duffy
