Darkness and Light

The first reading is tough to hear and we admire Job. We talk of ‘the patience of Job’. Job is the example and the hero of depression. He just had it bad. All had gone wrong and he felt no good, no hope, no meaning. His family collapsed, his wealth disappeared and he cursed the day he was born. He went through all of the depressions people have, but somehow kept that glimmer of light alive. He never totally lost God, and God never lost him.

Depression is a huge illness. Many suffer; many are affected. Treatment can be of help, and the listening times of friends as well as therapy is healing.

There are many helps on the human level. There is the help also of faith and prayer at times. And the help of someone who, listens, sympathises, doesn't judge nor give easy cures. Love from God never ends even though it may not appear near just now. This is the Jesus of the gospel – bringing the grace of healing, of freeing from any evil, of constant love.

Anima Christi
 Soul of Christ, sanctify us.
 Body of Christ, save us.
 Blood of Christ, inebriate us.
 Water from the side of Christ, wash us.
 Passion of Christ, strengthen us.
 O Good Jesus, hear us.
 Within Thy wounds hide us.
 Suffer us not to be separated from thee.
 From the malicious enemy defend us.
 In the hour of our death call us.
 And bid us come unto Thee,
 That with all Thy saints,
 we may praise thee
 Forever and ever. Amen
